Designing Solutions that Deliver Success

EXPERIENCE THE TRINITY DIFFERENCE

LET THE RENOVATIONS BEGIN

STEP ONE - INSPECT YOUR FOUNDATION

In order to build your future, you must first inspect your past. You'll begin the process by determining what has worked for you in the past and identifying what might need tweaking or fixing in order to move forward.

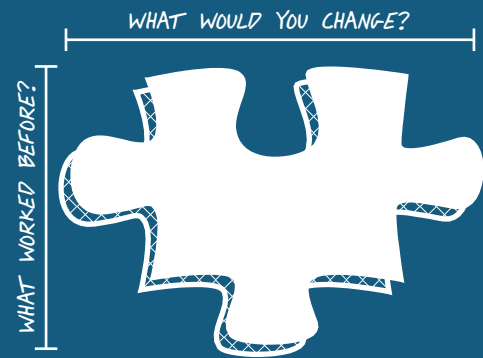

"With the help of our logistics architects, you can plan, design, and build the supply chain of your dreams."

*Mark O'Day
Since 2002*

Use the checklist below to start building your own logistics blueprint.

YOUR BLUEPRINT CHECKLIST:

- What are your company's top 3 accomplishments to date?
- Describe the impact those have had on your business.
- What are the 3 biggest logistics obstacles holding your company back?
- Describe the impact those have had on your business.

STEP TWO - VISUALIZE YOUR DREAM

You have now established the starting place for your logistics blueprint. The next step is to decide what you want the final product to look like.

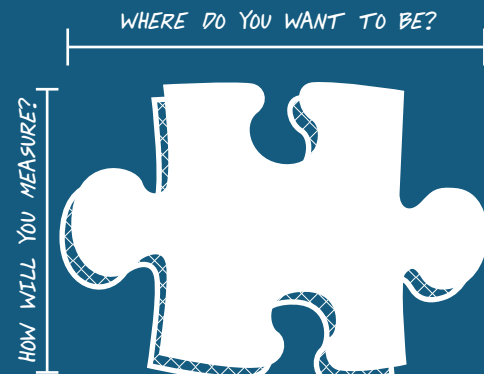

"You determine what success looks like, your ultimate logistics make-over, and we'll help make that place a brick and mortar reality."

*Iryna White
Since 2007*

Use the checklist below to continue building your logistics blueprint.

YOUR BLUEPRINT CHECKLIST:

- Describe in a few sentences what success looks like to you in the year(s) ahead?
- How will you know you've accomplished what you've set out to do?
- Once you've accomplished your goal(s), what impact will those have on your logistics process?

STEP THREE - BREAKING NEW GROUND

Now it's time to build on your foundation to create your dream. With the help of your Trinity Logistics representative, you'll fill your toolbelt with the tools you'll need to construct that dream brick by brick.

Below are just some of the tools we can put in your toolbelt.

From left to right:

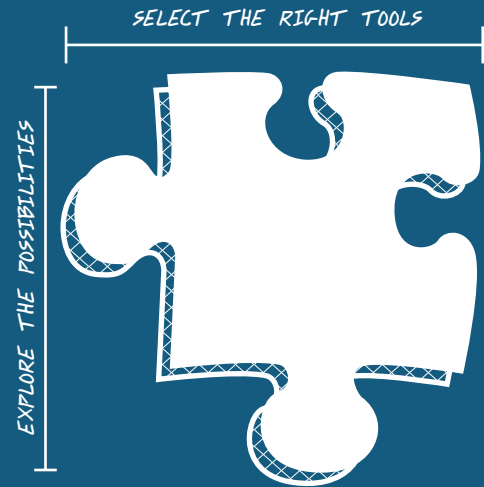

*Robin Hudson
Since 2005*

*Mike Dobson
Since 1999*

*Elisha Brown
Since 2003*

YOUR BLUEPRINT CHECKLIST:

- Have you considered...Consolidation? Pool points? Intermodal? Controlling your inbound freight?
- Manage your money...Need an RFP? Could you utilize Trinity's competitive blanket prices? Have direct LTL pricing? Need freight pay and audit?
- Efficient resources to support your growth...Technology? Consider our TMS. Adequate staffing? Consider a complete freight outsource option.
- Help knowing it all...Need consulting services? Need easy access to industry experts?

STEP FOUR - FINAL INSPECTION & ONGOING MAINTENANCE

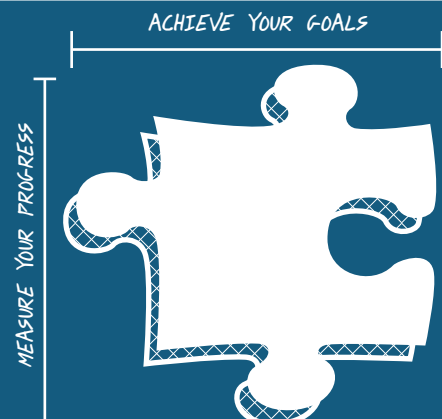

Now that you have the tools to build your dream, you'll need feedback to help you make sure your renovations stay on track.

Below are just some of the ways Trinity helps you succeed.

YOUR BLUEPRINT CHECKLIST:

- Customized reporting
- Carrier performance monitoring and evaluation
- Project based or annual RFPs
- Regular reviews with your account representative
